

Wild swimmer and cold water therapist Jenny Favell braves the icy Highland waters

Katielee consistently impresses with her aerial compositions taken with her drone

Katielee Arrowsmith

Photographer | Edinburgh

Katielee is a seasoned photographer with a fresh creative outlook. She's got a proven record for capturing pivotal moments and stunning aerial imagery. Since her first photography job in 1998 she's worked in England and Los Angeles picturing Hollywood stars such as Brad Pitt and Angelina Jolie. Katielee joined SWNS's Scotland office in 2011, since then her versatile skillset has seen her cover subjects in news, events, PR, politics and more.

Painting of Dido Elizabeth Belle and Lady Elizabeth is returned to Scone Palace

“Capturing intimate moments makes me smile. One of my favourite images is of the late Queen and-then-Prince Charles sharing a joke at the Scottish Parliament.”
